

Furman Elementary School

- Student Population: 925
- Faculty & Staff
 - K5 7
 - 1st 7
 - 2nd 7
 - 3rd 6
 - 4th 6
 - 5th 7
 - RA 6
 - SPED 5
 - Challenge 1
 - IC 1
 - Comp Lab 1
 - Guidance 2
 - Speech 1
 - Principal 1
 - AP 1
 - AA 1
 - Secretary 1
 - Attendance 1
 - Front Office 1
 - Cafeteria 1

Current Landscape

Currently, FES has Promethean Boards in 4th and 5th grades. The teachers have been trained for two hours on the boards and they are currently using them to project lessons on the board. The boards have dual pen capability, but the teachers do not use them. Last year, their PTA did a fundraiser and they were able to raise \$15,000. They would like to possibly use that money to purchase additional technology for the school. They currently have eight sets of actiVotes and six sets of ActivExpressions. The sets are housed in the media center and have been checked out about 10 times this year.

The school also has five digital cameras and eight video cameras available for teachers to checkout. Last year, the cameras were checked out one time and the video cameras checked out twice.

The School has one computer lab that is five years old. They have three laptop carts (15 laptops each cart). Once cart is 6 years old, one is 4 years old and one is 3 years old.

The media specialist purchased five Nooks last year, but the students do not use them. There are also 3 sets of MP3 players in the media center for checkout, but they are rarely used. The school has access to Compass learning and Accelerated Reader. Compass Learning is used once or twice a week by the after school kids and Accelerated Reader is used by 3 classrooms who do book competitions.
